

Paul A. VanderLaan MD, PhD is the Director of Surgical Pathology, Cytopathology, and Thoracic Pathology at the Beth Israel Deaconess Medical Center and is an Associate Professor of Pathology at Harvard Medical School. His clinical and research interests lie at the intersection of cytopathology and pulmonary pathology in the setting of both neoplastic and non-neoplastic lung disease, as well as thyroid FNA reporting. He is Editor-in-Chief of the Journal of the American Society of Cytopathology (JASC), and is co-editor of the 3rd edition of the Bethesda System for Reporting Thyroid Cytopathology.
