

Dr. Rossi received an MD followed by a residency in Anatomic Pathology and a PhD from the Catholic University in Rome, Italy. She was an international observer in surgical pathology and cytopathology at the University of Pennsylvania and Hahnemann University (both in Philadelphia), Gustave Roussy (Paris), and the Institute of Molecular Pathology and Immunology of the University of Porto (IPATIMUP). Dr. Rossi is currently the Director of Cytopathology and Endocrine Pathology at the Fondazione Policlinico Universitario Agostino Gemelli IRCCS and an Associate Professor of Pathology at Catholic University, also with the title of Full Professor. She has published more than 200 original articles, reviews, and book chapters on endocrine pathology, cytology, and head and neck pathology. Dr. Rossi has co-authored 6 books and served as co-editor of the Milan System for Reporting Salivary Gland Cytopathology, as well as for the upcoming second edition. She also served as one of the three lead authors for the revisions to the Bethesda Thyroid FNA Classification System second edition and is the lead author for the chapter on undifferentiated carcinoma for the upcoming third edition. Dr. Rossi contributed chapters to the WHO Classifications of Endocrine and Neuroendocrine Tumors, Head and Neck Tumors, Pediatric Tumors, and Tumors of Hematopoietic and Lymphoid Tissues. She has delivered numerous lectures, workshops, and short courses at national and international meetings including USCAP, ASC, ASCP, CAP, ECC, ICC, ESP, IAP, and SIAPEC. Dr. Rossi is in the Scientific Committee of the European congress of cytology since 2015, including the next European meeting 2024. She is the European leading editor of the World tumor registry. Dr Rossi was invited as a leading speaker for the American Thyroid Association 2023 and the College of American Pathology 2023 and 2024. Dr. Rossi is Associate Editor of *Cancer Cytopathology* and a member of the editorial boards of *Diagnostic Cytopathology*, *Cytojournal*, *Acta Cytologica*, *PLOS One*, *Endocrine Pathology*, and the *Journal of the American Society of Cytopathology*. She serves on the executive board of the Papanicolaou Society, the Scientific Committee of the EFCS and the abstract review board for the USCAP. Dr. Rossi has received awards from the Italian Society of Pathology, the American Society of Cytopathology, the Italian Cancer Program-AIRC and the international achievement award from the American society of cytopathology. Dr Rossi was awardd

in November 2022 as the best international cytopathologist with the ASC international achievement award from the American society.
